MISTER BRACE

Cubes of pure beech for healthy cooking

Highly pressed cubes made of pure beech shavings of the highest quality with no added chemical adhesives. You don't need to get your hands dirty to light them easily, almost as if by playing with clean flames, they turn into powerful, long-lasting embers. Placed all over the grill, they cook for over 45 minutes, enhancing the flavour of food. Bag without harmful dust or impurities. Product tested and certified for use in food cooking. For two barbecues of 6/8 people.

Weight per pack	3,5 kg
Packages per pallet	96
Packages per truck	32

CARBONELLA PREMIUM

Beech charcoal

Beech wood charcoal, top quality, large pieces, contains no impurities.

Size bags	3/10 kg
Number of pallets per truck	33

Possibility to compose the truck with the 2 sizes.

FAMILIA ACCENDIFUOCO BIO

100% natural curls

100% natural wood wool firelighters soaked in high-quality natural wax. Exceptionally durable and completely odourless. Leaves no residue, ideal for lighting stoves, fireplaces, ovens and barbecues. Packaged in bags to maintain quality over time.

Curls per pack	20
Number of packs per box	25
Number of boxes per pallet	59
